

CBC Graduates First Class

COLUMBIA BASIN COLLEGE

VOL. 2, NO. 8

Columbia Basin College

MAY 29, 1957

TESTS SCHEDULED DURING FORENOON

The schedule for final tests at CBC was issued by Mr. Askegaard May 16.

A plan to concentrate tests during morning hours, leaving afternoons free for correcting papers by teachers, and (it is hoped) studying by students, was followed.

The schedule is:

Period 1	8:00 a.m. June 5
Period 2	10:30 a.m. June 5
Period 3	8:00 a.m. June 6
Period 4	10:30 a.m. June 6
Period 5	8:00 a.m. June 7
Period 6	10:30 a.m. June 7

For Tuesday and Thursday classes:

June 3	Health Ed. 115 1:00 p.m.
June 4	Music 117, Debate 143 1:00 p.m.

P.E. Classes planned during June 3 and 4 days.

Friday, June 7 will be the last day of school at CBC. Commencement exercises will be held the following Sunday.

UW, Central Give Awards

Scholarships to the University of Washington and Central Washington College of Education were awarded to two Columbia Basin College students last week.

Wrvil Kendall received word from the university that \$183, enough to cover basic tuition fees for one year, had been awarded to him as a Junior College scholarship. Mr. Kendall was chosen from among competing students all over the state. This scholarship is the only one given by the university to a junior college.

CWCE informed Jimmy Gower that \$100 would be applied toward his room rent at college dormitory when he rolls there in September. Mr. Gower was chosen from among many outstanding candidates.

These awards were made on the basis of scholastic achievement, financial need and participation in extra-curricular activities. Both students are sophomores, and will graduate this year.

Enrollment To Bring New Profs

Due to the expected increase in enrollment, and the possibility of added classes, Columbia Basin College's teaching staff will be increased by at least nine new teachers next year.

Enrollment in 1957 is expected to be over 700; with 550 students taking academic courses and 175 in vocational classes. This will be a 45 to 50 per cent increase over 1956.

A class in electronics, a subject not offered before at CBC, is being considered for next year.

Arrangements with new teachers are still in the verbal stage; no contracts have been signed to date.

Neconia To Be Distributed At Beginning of Exam Week

The CBC Annual will be ready for distribution on the third or fourth of June, Mr. Hanson annual advisor said today.

This year's Annual will have a blue and white embossed picture of the school on the cover and will be approximately 100 pages in length.

Mr. R. Wallace Pischel will print and publish the book. All work will be done here in Pasco through the sale of advertising to the Pasco business men.

"Much work has gone into this annual," Mr. Hanson said, "and we have attempted to cover all events through the year; we have added stories and pictures concerning the sports program as well as the School of Nursing and the Vocational Shops," he added.

The persons responsible for the Annual are: Warren Hyslop, editor; Tom Burnside, associate editor; Wanda Knonnlein, and Anne-Marie Fulton, associate editors; Roger Conrad, artist; Bob Booth and Sam Ellis, photographers Harold

CALENDAR

May 30-31—Vacation
May 31—Spring Semi-Formal
June 5-7—Final Exams
June 9—Baccalaureate
June 9—Graduation
June 10—Summer Vacation
September 16—School Starts

College Accepts New School Seal

"Columbia Basin College now has an official school seal as the result of a contest held last week," Mr. Askegaard, school registrar said today.

A contest was held last year to find a suitable seal to be used on all transcripts, correspondence and diplomas issued by the school.

This contest was won by Jim Donnell, ex-C.B.C. student, who submitted the winning design; this design consists of a hawk with outspread wings with the letters CBC worked into the wings and body. This is offset with the pen and scroll signifying education.

Roger Conrad, freshman, revised the original design somewhat and in May of last year the bronze seal was made up at a cost of \$65.00.

Commencement Exercises Graduate Sophomores

Commencement exercises will be held for Columbia Basin College at the Pasco High auditorium at 8 p.m., June 9. Five girls and 38 boys will be awarded two-year certificates from the college.

The practical nurses who are

through with their training will receive their diplomas at the same time. There will be 26 practical nurse diplomas awarded.

Commencement exercises will be in the college auditorium. The class has not yet chosen a speaker for the occasion. The girls will wear white caps and gowns, and the boys will wear dark blue.

The Commencement services will be held in the Pasco High School auditorium at 8:00 p.m. on the same day. Rev. and Mr. Paul Sutley, First Congregational Church, Pastor, will give the invocation. The pastor of the Northwest United Protestant Church, Richland, the Rev. Mr. Holly Roy Jarvis, will give the Commencement benediction.

The faculty members will not wear the traditional caps and gowns at the ceremonies.

The awards will go to the following students:

Associate in Arts — Kent William Fleischman, Vincent Shilet, Len Patrick Dougherty, Robert Lawrence Eke, Walter G. Menefee, Robert E. Holt, Darrell Lloyd Monasmith, James Baker Elliott, Glen A. Karn, Shirley Euleta Hoyt.

Harold Eugene Clark, Dorothy Ann Dahl, June Taylor Marshall, Frances E. Miller, Frederick Courtney Buchanan, Judith K. Mylerberg, Jimmy Dean Gower, Robert E. Simonton, Harlan M. Fortner, Bruce Willard Perkins and Charles E. McHoney.

Associate of Science Diplomas—Ronald Elmer Byers, Richard Walter Clarke, Herbert Albery Aeschliman, Laurence O. Osterman, William Wayne Mulkey, James Joseph Byron, Loren Edward Claunch, Jim Linden Watts, Dale Thomas Jacobson, Glen Edward Phillips, Errol Vey Allen and Peter James Granata.

Certificates of Completion — Donald Sterrell Webb, Victor T. Zeller, James Bennett Rambo, Wilbert Ernest Wickersham, Glen J. Randall, Jewell Still, Duane Lowell Hirschel, James Lowell Williams, and John Morbeck.

Practical Nurses—Marie Smith, Leah M. Brown, Inthe E. Elsensohn, Blanche A. Williams, Mary Alma Fox, Grace E. Henckel, Grace E. Herrington, Rhodene A. Hubbard, O'Bera Murray, Leona Patton, Margaret S. Hamilton, Elda O. Belcher, Ruth E. Feil.

Marjory M. Hayes, Norma Mae Hoffer, Gladys M. Lewis, Adeline M. Lockard, Hazel A. McNutt, Gulah E. Nelson, Elsie G. Noggles, Mildred M. Phillips, Esther R. Smith, M. Thelma Switzer, Claire S. White, Bertha M. Homme and Norm R. Jones.

Sophomores Complete J C Course

PICTURED ABOVE are part of CBC's graduating class. Class officers Wyvil Kendall, Betty Anderson, and Loren Claunch, are seated in the center of the front row. Not pictured are candidates from the shops and the practical nurses, who are presently working.

(Photo by Sam I)

Psychology Class Trips To Lakeland Village

Psychology and Sociology students interested in learning that "being good is conditioned by your environment" went on a field trip to Lakeland Village at Medical Lake on Wednesday, May 8th.

Mr. F. C. Mason, superintendent of the school, also stated that every obtainable facility was used to make the children of Lakeland Village happy and at home.

At the Village are 1432 boys and girls, who range in age from a few months to 75 years, chronologically. These children, as they are referred to there, have actually a mental capacity of between a six month old baby to a 16 year old teen-ager. The average mental age at the Village is 10 years.

It should be noted that Lakeland Village is not a home for the insane but one for the mentally retarded. The hospital for the insane is on the hill above Lakeland Village and functions separately.

According to Mr. Mason, 432, or 2 per cent of the population, are children born every year mentally retarded. Seventy-five percent of these children are from average or above average homes.

The greatest cause of mental retardation is from brain damage. This can occur in many ways. The child can be affected during the pre-natal period from many different causes. It can also be affected in early

childhood through infant diseases, like measles, chicken-pox, or whooping cough, or through accidents, like falls and so forth.

Much can be done today to help mentally retarded people. They can be given mental inoculations. Babies at birth can be watched more carefully to avoid oxygen starvation. Parents can be more cautious about where their children play to avoid falls and injuries. There are many more things that can also be done, but we will center on the institution.

Years ago the thought of

putting someone in an institution for the insane was as bad as putting them to death by slow torture. Today institutions, or homes as they prefer to be known by, do so much for the mentally retarded person that it can hardly be compared with the "prison" of yesterday.

Lakeland Village is run as close to a normal community as possible. The inmates are given practically everything to make their learning and progression as adequate as can be. Organizations such as Girl and Boy Scouts, FFA, GAA,

basketball and baseball teams, and a dance band exist at the Village.

The inmates capable of learning are given grade school educations, ranging from kindergarten to the fourth grade. Some are shown handicrafts, like rug making, lace making, embroidery, crocheting, weaving, pottery, and painting.

The 334 employees make up the staff at the Village. Among these are nurses, doctors, dentists, psychiatrists, psychologists, and instructors for the different classes which would include machine shop instructors, beauty operators, art instructors, and so forth.

When the authorities at the Village feel that a patient has progressed satisfactorily and would be able to get along on the outside, he or she is released. Many make the grade and some do not. Many marry and have families and get along very well. Mr. Mason stated that many return after having been released to spend vacations and weekends at the Village. He also said that everyone there loves it. That is why many return to visit.

High School Seniors Visit Council, Students Entertain

Pasco and Kennewick High School seniors were entertained by the C.B.C. associated student body and faculty here on May 14 and 15.

Forty-three Pasco seniors visited the campus on 14th and on the 15th, 48 visited from Kennewick.

The program of events for the guests included, a general meeting where the seniors were welcomed by Jack Cooney, director; George Askegaard, registrar, and Jim Watts, A.S.B. president, and speeches about the college by Mr. Askegaard; Mrs. Venetta Stappler, girls' counselor, and Jim Gower, A.S.B. council representative.

A panel discussion was held followed by a question period with the above persons taking part.

Robbie Riffenrath and Douglas Moore acted as Moderators for the panel and Mistress and Master of Ceremonies on the 14th and 15th, respectively.

Council members conducted the visitors on a tour of the buildings.

Lunch was served in the college cafeteria and the following program numbers were given: Arvin Curtis and Russel Love, vocal solos; Marilyn Stefenson and Armand Boatman, piano solos.

Soph Organized For Activities

The sophomore class at Columbia Basin College adopted a constitution which they hope will encourage, motivate and regulate the activities of the sophomore class in the future.

All regularly enrolled registered students at C.B.C. carrying 12 hours or more having earned 45 or more quarter credits, shall automatically be members.

All officers will be elected and appointed to office. There shall be a president, a vice president, a secretary, and a treasurer. No person will be permitted to hold office in excess of capacity unless he is a member of the class. The officers will have to maintain a minimum grade point average in order to stay in office. In order to be a candidate for office the same grade point will have to be achieved before you can run. Officers can only hold office for one school term.

Treasurer Releases Figures On Status Of ASB Funds

Some of the A.S.B. fund expenditures, as released by the Student Council treasurer, are presented here for the student's consideration.

The football expenditures amounted to \$9700. Additional ticket sales reduced the cost to A.S.B. by \$2500. The basketball squad spent \$3800; and collections from ticket sales amounted to \$1400.

Columbia Basin Collegiate New printing costs amounted to \$150. The Neconia, the second college annual, will leave a debt of about \$250.

The Student Loan Fund was taken advantage of by two students this year and will balance when the final payment on the loans are made.

A profit of \$128 was made from the cigarette and candy machines, according to the treasurer. The Student Body is

purchasing the Pepsi Cola machine so that in the future there will be a large income from the machine's sales. The profit from Coca Cola was \$211.

The most profitable student activity seems to be the lecture series, the cost being \$2000; the outside ticket sales netting \$1400. The excellent work of the sales committee is evident in this instance. The lectures cost the student body a total of \$600.

All clubs bank their funds with the A.S.B. treasury. Their books closed with a balance.

Baseball is the only activity with an open account, due to the spring season. It took in \$36.00 and paid out \$3900.

Columbia Basin College activities have been increasing to cover more variety of student interest.

Associated Students Approve Amended Form Of Constitution

The amended Constitution of C.B.C. was approved by a unanimous vote of the members present at a Student Body Meeting, May 23, in the college gym.

Jim Watts, ASB president, explained some of the difficulties that the new constitution would eliminate, such as filling student council vacancies.

Mr. Jim Devine, ASB advisor, told the students that none of their rights were being infringed upon, and said that he hoped the new constitution would be approved.

Jim Watts turned the meeting over to Charles McHaney, Sophomore class representative to go through the proposed Constitution in detail and explain the changes and why they were necessary, after which Watts called for vote by show of hands.

Copies of the Constitution are available from Mr. Devine for those desiring to have one.

Wyvil Kendall, Sophomore class prexy, told the ASB that the Class Constitution

was approved and that the Sophomore class has been preparing the graduation ceremony.

Robbie Riffenrath presented a boutonniere to Jim Watts, who was elected as one of the escorts for the Sophomore Ball. Jim Gower and Jim Devine, the other escorts, were not present at the meeting and will receive their boutonnieres at a later date.

The two freshman princesses Bunny Fulton and Jan Walker, were to be presented with their flowers but only Bunny was present.

The newly elected Sophomore Queen, Betty Anderson, was presented with a flower also. These people will take part in the ceremony at the dance, May 31.

Also on the agenda of the meeting was the nominations for vice president to fill the vacancy left by Tom Burnside. Cherry O'Bannon, Jerry Gower and Don Hartmire were nominated for the office. The elections were held May 27.

Nearants Brothers Take Win

Bob and Bill Nearents took the doubles championship, as CBC's net squad placed second in the Washington State Junior College Conference tennis tournament at Larson Park last Saturday.

The Nearents brothers downed John Marshall and Tom Alvis to gain the state doubles crown.

Bob Nearents was eliminated from singles competition in the semi-finals by the eventual singles winner, John Marshall, 6-0, 6-4.

Columbia Basin placed second in team competition with six points. Lower Columbia three and Wenatchee and Yakima each had one. Clark took the championship with nine points.

'Brains' Of CBC Organize

At a meeting held May 13 at Columbia Basin College, the C.B.C. Honor Society officially came into being with the acceptance of the constitution by possible members. The student council is expected to okay the constitution this week.

President Herbert Aeschliman, vice president Charles McHaney, secretary Doreen George and treasurer James Longwell have worked with Wayne Mulkey and Wyvil Kendall as an executive committee in preparing the constitution.

Candidates for membership in the society will be notified by the faculty of C.B.C. Each candidate must be in the upper ten per cent of his class scholastically, and have a cumulative grade of three; he must be taking a minimum of 12 hours, with a cumulative of 15 hours.

Mr. Stakkestad, Mr. Devine and Miss Wilbur have acted as faculty advisors in the planning of this new group. One member of the faculty will continue to serve as advisor.

Pins will be ordered for members this year. An initiation fee of \$3 will be required for membership.

CBC Conference Play Ends With 2-Game Sweep

Columbia Basin College ended conference play last Saturday afternoon with a two game sweep of a doubleheader with Skagit Valley.

In closing out the season the Hawks put on a display of hitting power and superb pitching. In the first game, which the Hawks took 14-2, the issue was never in doubt. The home-standing Hawks scored twice in the first innin, three in the second, and pushed nine runs across the plate in the fourth. The two first frame counters were tallied when Del Bareither doubled to send Chuck Wilkes in and Til Neal followed with a single to score the Hawk catcher. In the second inning first baseman Jim Lewis smashed a 380 foot triple against the right-center field fence to account for the three markers. The Hawks really ran wild in the fourth frame when four straight walks, two stolen bases, a triple by Wayne Harter, a single by Dick Lightfoot, doubles by Chuck Platsman and Dave Forrest, a wild

pitch and a tremendous 390 foot blast to center field by Gary Bates accounted for nine runs. Rod Mineke and Wayne Harter divided the pitching chores.

Richland ace righthander Tilbert Neal, hit his stride in the final game to twirl a brilliant no-hitter and set the Cards from the coast down 4-3.

Neal also led the hitters in the second game, getting a triple and a single. In going the route for the Hawks, Neal struck out 14 hitters and walked only one man; however, Skagit Valley tallied twice in the sixth and once in the seventh on five CBC errors. CBC gathered their four runs in the first inning with triples by Neal and Bareither, a double by Dick Lightfoot, a walk and two errors.

First Game		r	h	e
Skagit Valley	002-00	2	2	1
Columbia Basin	230-9x	14	8	2
Smith, Sell (4) and Frey; Mineke, Harter (4) and Bareither.				
Second Game		r	h	e
Skagit Valley	000-002-1	3	0	2
Columbia Basin	400-000-x	4	6	7
Sell and Frey; Neal and Bareither.				

Columbia Basin College To Award Thirty Scholarships In Year '57-'58

Columbia Basin College will award 30 scholarships for the school year 57-58. These scholarships will be worth \$135.00 each. They will be in lieu of registration and A.S.B. fees.

Twenty of these scholarships will go to outstanding academic students. Those in the upper 20 per cent of their graduating class may apply.

Ten will go to the outstanding student leaders in recognition of special talents and evidence of leadership in music, dramatics, forsenics and journalism.

Besides these, 12 special scholarships will be awarded by local organizations. There will be the usual amount of work scholarships.

Also, five scholarships will be awarded to the outstanding students of CBC's 1957 graduating class.

Students now enrolled may apply for the following scholarships. They are:

Pasco - Kennewick Kiwanis Sophomore scholarship \$135.

Altrusa (Pasco - Kennewick Chapter) 2 awards of \$100 each for girls only.

Pasco Auxiliary No. 2241 Fraternal Order of Eagles scholarship of \$100.

Pasco Chapter BW of P.E.O., \$50.

Delta Kappa Gamma chapter —\$90 for a girl in pre-education with a sophomore standing.

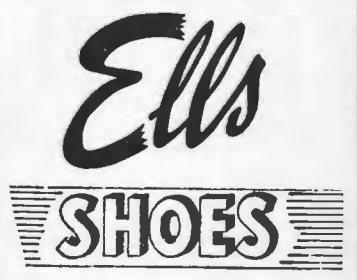

Amend A.S.B. By-Laws At Council Meeting

To go along with the changes in the school constitution that were made and approved on May 23, the Student Council passed several amendments to the By-Laws of the Association.

The article on Organizations and Activities was removed for the Constitution and placed in the By-Laws as Article 2. The amendment to the previous By-Laws was taken out because of the confusion that ensued due to grade point averages of members of the council.

Slight changes have been made on the section on elections of the council members and on the election of the ASB Advisor.

Cupid Will Ring Wedding Bells For Several CBC Couples

Wedding bells will be ringing in the near future for several C.B.C. couples who have become engaged during the 1956-57 school year.

The brides and grooms who will be married in June include Dorrene George and Bob Gilbert, who have set their wedding date for the 15th, and Jan Walker and Les Wilson, who are planning to tie the knot a year from June. All three of these C.B.C. students are freshmen this year.

Planning to be married in July is Lynn Gillespie, who will take as his bride Di Ann Shoester, who is not a C.B.C. student. They will be married July 20.

Freshman Wanda Burd will become Mrs. Stan McNair on August 25. Her fiancé is a student at WSC.

Sonja Olson, freshman, and Bob Holt, sophomore, have also set their wedding date for August 25.

No date has been set by Robbie Riffenrath, who is engaged to Don Cresswell, a WSC student. Jim Lewis, freshman, engaged to Patty Kau, former

CBC student, also has set no date; and Sandra Howerter, freshman, has not decided a date for her wedding to Russell Roddy, who attended CBC last year.

Ben Wyrick, ex-freshman, joined the ranks of the married last weekend, and Dave Forrest has recently joined the ranks of the engaged.

JC Leadership Meeting Vancouver, May 24-25

Approximately 20 ASB council members and students took a trip to Vancouver, Washington May 24 and 25 to a Junior College Leadership Conference.

Registration began at 10:00 a.m. May 24 followed by conference meetings and Friday evening with a banquet, dance and talent show.

The purpose for this Washington State College Conference is to promote better relations between all the Junior Colleges; as well as compare plans for the following school year.

Council Approves Bill To Levy Library Fines

A resolution, to the effect that the library should levy fines for overdue, lost or damaged materials, was approved at the Student Council meeting, May 21.

This was to be given to the director of the college, Mr. Cooney, and the librarian so they could coordinate their efforts to levy fines on library materials. C.B.C. is one of the only institutes of higher learning in the State that, at the present time, does not charge for materials other than books that are held on reserve.

No Tear In Minor Beer

No longer will minor's tears flow into their beer after they use their driver's licenses for identification to gain entry into the local "dens of iniquity."

The last state legislature passed a law stating that all persons under 21 years of age will have the letters 'M-i-n-o-r' stamped in indelible ink across the face of their operators licenses.

This was done mainly to protect the operators of the various establishments that dispense alcoholic beverages. When serving a person who claims to be over 21 and seems to be able to prove it, the establishment is still liable to the loss of its license if the subject turns out to be a minor and is caught.

Joe Banana's Bunch To Play At CBC Spring Semi-Formal

"Fantasy Land" is the theme of the final dance of the school at C.B.C., the Spring semi-formal on Friday, May 31.

Everyone is urged to attend this last dance, sponsored by the AWS and the Freshman class, at which "Joe Banana and the Bunch" will provide music.

Pastels of Spring shades will be used in the decorations for the dance, which is being put on especially for the first graduating class of C.B.C.

The first coronation of any dance this year will also be held. A queen will be elected from the sophomore class, and her court will consist of two princesses. Three escorts will also be elected from the male students at school.

"Come on, everyone, and tell all your friends about the dance! Get a date and come! After all, it will be your last chance to attend a dance at C.B.C. this year. Let's everyone come out and support the Spring semi-formal," says Bunny Fulton, general chairman of the dance.

School Board Fetes Faculty On Birthday

At the monthly meeting of the Board of Directors of the Columbia Basin College School District No. 1, the second birthday was celebrated. The date commemorated the passing of a law permitting the establishment of C.B.C. by the State Legislature in 1917.

After the transaction of regular business, the C.B.C. faculty was invited to join board members in birthday cake and coffee. The large sheet cake, inscribed with words "Happy Birthday C.B.C.," was served from a lace covered table with a centerpiece of lemon lilies and yellow tapers.

Mrs. John Nelson poured. Mrs. Bernice Crumley served the cake.

Decorators, Producers Attend Field Trips To Vary Routine

The Television Production class and the Home Decorating class went on field trips last week as a means of furthering their education and escaping normal classroom activities.

Spokane TV stations KXLY and KHQ, were the sights of the TV production's field trip, May 8. The KHQ-TV introduced a few television personalities to the students. A tour of the station included a look at some new color equipment and cameras, and the workings of a complete radio-television newsroom which contained a photo-facsimile of the Associated Press. KXLY showed them their cameras, workshops, and recording facilities.

New ideas in fabrics for draperies and rugs, and art principles in decorating proved to be the main observations of the Interior Decorating class on its field trip to Kurt's Decorative Service in Pasco, May 10. Harmony, rhythm, balance, emphasis, proportion and design were the examples in art principles illustrated. When asked if they recommended the field trip for future decorating classes, the students' reply was a definite yes.

The students attending the decorating class field trip were Arlene Allphin, Dorothy Dahl, Joan Gibbins, Mary Kliebenstein, Wanda Knamlein, Rita Sheely, Mona Slaley, and Claudine Downs with Mrs. Stappler as advisor.

Bob Parnell advised the production's field trip was attended by Connie Parnell, James Byron, Fleischman, Robert H. Clem Maberry, Robert Steele, Ken Wick and Robert Stork.

One day the teacher said, "Now name a stream in Italy." I raked my brain quite awhile, and was just going to answer "Nile," when "Say, Po, Leo" was whispered, by one I thought I surely know. And so I said "Sapolio."
